EDUCATION FUND

Trying to finish your prereqs for RN, Rad Tech, or for your AA degree?

Forgot everything you learned in High School Math?

Did you know more than 60% of students place into the lowest level math when taking a Math assessment

MATH BOOT CAMP

Math Quick facts:

- *The Education Fund will be offering Pre-Algebra this coming Fall semester throughout Southern California.*
- *If your career goal is RN or any other Allied Health program, most colleges require Elementary or Intermediate Algebra*

Why attend a Math Boot Camp?

These FREE workshops are designed to refresh your knowledge of basic Math so you can assess into Pre-Algebra and possibly take it with us next fall!

Workshop features:

- Individual attention/ one-on- one
- Practice test geared towards the college assessment exam
- Immediate feedback
- Previous students received an "A" or a "B" in the follow college math class, Pre-Algebra

BOOT CAMP SCHEDULE

Attend any of the following sessions:

- **Tuesday March 23rd 7-9:30pm**
